Bulls will be fertility tested on April 13, 2024 by Swinging Bells Veterinary Services and are guaranteed to pass that day. Buyer receives full **credit** for a replacement bull if your selected bull fails. We guarantee bulls to maintain fertility and structural soundness throughout their first breeding season or until September 1, 2024. **We are not responsible for injuries or mortality after we deliver bulls to you.** One half the difference in purchase price less salvage value of \$1500 will be credited toward the purchase of another Atwater bull should a fertility/soundness problem arise. That credit can be carried over to the following year. Bulls have been tested negative for PI-BVD.
