We guarantee bulls to maintain fertility and structural soundness throughout their first breeding season or until September 1, 2024. **We are not responsible for injuries or mortality after we deliver bulls to you.**

One half the difference in purchase price less salvage value of \$1500 will be credited toward the purchase of another Atwater bull should a fertility/soundness problem arise. That credit can be carried over to the following year.

Bulls have been tested negative for PI-BVD.
